

Product Designer · AI Design Engineer

Tetiana Dovgalenko

Product UX/UI designer with a strong AI engineering side. I work on data-heavy SaaS and ERP systems, turning complexity into interfaces people can actually use.

Experience

Where I've worked

Jan 2023 – Jun 2026

Product UX/UI Designer

Trinetix · The Hague, Netherlands

Designing web-based business systems with a focus on usability, clarity, and functional structure.

- Creating wireframes, user flows, and prototypes for internal tools and admin panels
- Designing clean, consistent interfaces supporting complex user tasks in enterprise environments
- Collaborating with developers to ensure practical and scalable design solutions
- Transforming massive amounts of data into clean, intuitive design solutions

Oct 2022 – Feb 2023

Photographer

ZIEN24 · Capelle aan den IJssel, Netherlands

Photographing architectural objects and interiors – photography, video production, 360° and elevated (pole) photography.

Aug 2021 – Jul 2022

Project Manager

Honk1 · The Hague, Netherlands

Worked under the Dutch MBO-4 vocational training program (BBL track "Leiding van team afdeling en projecten").

Mar 2015 – Sep 2021

Costume Artist

Film Crew · Kyiv, Ukraine

- Supporting music videos, film productions, commercials, and fashion editorials
- Costume design, creation, and styling research
- Analyzing looks and forecasting visual trends

May – Dec 2013

Marketing & PR Manager

SMART Business · Kyiv, Ukraine

- Led the company's rebranding process and created new marketing materials
- Organized company setup for international exhibitions including NAV TechDays, Antwerp

2004 – 2012

Lead Project Manager

Kyiv City State Administration, Department of Culture & Art · Kyiv, Ukraine

- Lead Project Manager (2008–2012): public speaking, mentoring, curating art exhibitions, concerts and theatre performances; cultural research and forecasting
- Project Manager (2004–2008): organizing city-wide cultural events from planning to production

2003 – 2004

Photojournalist

Metropolitan News · Kyiv, Ukraine

Covering local cultural events, creating visual stories for print and online media.
